

PASSENGER STATIONS & STOPS including Nepal Rlys

Lines radiating from Howrah (1-66), Nepal Rlys (70-71), Lines radiating from Sealdah (75-93), Calcutta area former NG rlys (95-103). See Railways Zones map to aid identification of individual lines

Based on 2005 Regional Timetable, earlier Indian Bradshaws, All India TTs, Company TTs & current Indiarail info. site (IRinfo) Where no date given, station names as shown in 2005 TT (with spellings corrected if considered to be wrong)

f+ lines/stations/halts op./rn. since 2005 (most checked on-line, Indiarailinfo). (date)t/w: other public/working TTs

Former names: [] Distances in kms (unless headed Miles); #: Great Indian Railway Atlas 2022 edn, Samit Roychoudhury
WARNING: Spellings of Indian station names are notoriously varied. Station nameboards can vary from spellings in timetables. Some spellings have officially changed over the years, but many others are just typesetting errors. The 2005 TTs contain many errors. I have attempted to sort these out, checking spellings against Indiarailinfo photos & the Great Indian Rly Atlas.

Even the Indiarailinfo site map contains spelling errors – check the station nameboard photos (but some of these also have errors!)

Gauges: Broad Gauge (BG - 5' 6"); Metre Gauge (MG); Narrow Gauge (NG – 2' 0" & 2' 6");

B.H: Block Hut/Cabin (signal box) at which passengers allowed to board & alight; T.P: Telegraph Pole

op. opened; cl. closed; rn. renamed; rl. relocated; tm. terminus of service at date shown; pass? passenger service?;

Connections: BDR-Bangladesh Rly; NCR-North Central Rly; NER-North Eastern Rly; NFR-Northeast Frontier Rly;

SER-South Eastern Rly.

All points served by passenger trains unless shown (italics) or noted. (nb): spelling on station nameboard (IRinfo photo)
