

PASSENGER STATIONS & STOPS

Shinkansen (1-9) and JR Central/East/West Rlys (10-165) (Line names in alphabetical order)

Based on Official Station List 1892 (z), Government Rly TTs (t) 1914 (a), 1923 (b), 1933/38 (c), 1968t/JNR Official Map 1964 (d) & current TTs. Also, 1915t, 1918t (p), Tetsudo Journal 1997 (transliterated into Romaji by Leroy Demery)(q), Rail Maps of Tōkyō Area, Electric Rlys of Japan (r), Japan by Rail and Wikipedia.

Former names: [] Distances in kilometres Gauge 3' 6" unless noted

Certain non-passenger locations shown in italics thus: (name); pass?: passenger service?

'n' before consonants often shown as 'm' as pronounced (e.g. 'nm' as 'mm'). 'n' is the more correct, but both versions appear erratically in timetables, maps (e.g. the Tokyo Area Rail Map shows 'm') and on station nameboards.

Kita: north; Minami: south; Higashi: east; Nishi: west; Shin: new; Kami: upper; Shimo: lower; Naka: middle; Chūō: central; Onsen: spring; Mae: in front of; Eki: station; Guchi: gate; Bashi: bridge; Machi/Chō: town; Shi: city

op. opened; cl. closed; rn. renamed; rl. relocated; tm; terminus; all dates refer to passenger service;

+ names of closed stations translated using Google - some names may be incorrect, e.g. wrong "reading" of the Kanji symbols -

? names that could not be translated or translated into literal English, Pin-Yin (Chinese) etc; correct Romaji names required!
