Explanation of references: refer to the **Introduction**

This is a new edition which contains corrections and subsequent service amendments which were not published contemporaneously.

Grouping of lines

From this edition, lines are listed by the geographical groupings explained in the Introduction (apart from Greater London still being contained within the respective South East England sections).

Semi-regular land cruises and excursions

From this edition brief mention is added for the longer duration, inclusive tours – some, at least, of which may have been operating previously, of course. In this edition only, @ denotes such new entries. Although days of operation are shown in some cases, these trains did not necessarily operate *every* week; operators: *Royal Scotsman* land cruises: The Great Scottish & Western Railway Co Ltd; *InterCity* landcruises and *Cumbrian Mountain Express*: Flying Scotsman Services Ltd.; *VSOE*: Venice Simplon-Orient- Express Tours Ltd.
