**Wrexham General Platform 3 - Wrexham Exchange Jn (via loop) [51] (101) CE**

Daily, first departure from Wrexham G to Bidston and last arrival at Wrexham G from Bidston

---

**Regular but infrequent services**

The following services, while reasonably "regular", are not frequent - normally applying annually.

**Briton Ferry, Court Sart Jn/Up Flying Loop Jn - Hendy Jn (Swansea District line) [30/31]**

Excursions usually run from South Wales via this route to The Royal Welsh Show held at Builth in late July: a train from Cardiff C to Llandrindod and back ran daily from Monday 22 to Thursday 25 July 2002

**Whitakers Jn - Balm Road loop and Darmouth Jn - Dartmouth branch [Middleton Railway] [63]**

On the Saturday and Sunday of the Autumn Steam & Diesel Gala, usually held on the last weekend in September, trains used the first section - but the Dartmouth branch was *not* used in September 2002 (or subsequently) because of subsidence.

**Bishops Lydeard - Norton Fitzwarren (WSR boundary) [West Somerset Railway] [8]**

On one or more of "special event" weekends trains used this section. Also, an unadvertised 1330 Bishops Lydeard - Norton Fitzwarren and back ran on service "A" days (*except* about one day a month - as announced locally - when the "diesel" service was loco hauled and this train did not run).

**Aylesbury - Quanton Road [35]**

On Bank Holiday Mondays (apart from Christmas) and the Sunday of Buckinghamshire Railway Centre's Annual Autumn Steam-Up, a chartered shuttle service of trains used this section.
