

# Passenger Train Services over Unusual Lines

listing regular passenger trains over obscure rail routes in the British Isles

2011

---

Compiled by **Richard Maund**

This page was updated on 4 June 2015

---

**Unless otherwise indicated, trains operated Sunday 12 December 2010 until 10 December 2011.** All dates quoted are inclusive, but services and timings were subject to alteration at any time - particularly on public holidays.

The National Rail Timetable and its printed derivatives omitted - usually through the omission of relevant footnotes - some trains or parts of their routes which were advertised in train operating companies' own timetables; a note is included below in relevant cases that have come to notice.

¶ denotes pre-planned engineering diversions. Don't forget that all Sunday trains - and even weekday trains - were subject to further diversion or alteration.

Where appropriate, trains are grouped by direction under each route heading.

**Explanation of references:** refer to the **Introduction**.
