### **Ashford International: junction with Maidstone Relief line - junction with main line (via Maidstone lines)** (196) WA03

When this entry (which had but a borderline claim to inclusion) first appeared in 2002, most trains between the Maidstone line and Ashford International station had been diverted via the new Maidstone Relief line to platforms 5/6. From 2010, the relative usage changed and the original Maidstone main lines can no longer qualify as "obscure" (if they ever did!). Therefore, this entry will not appear in future. Whether trains use the Maidstone lines or relief line can be established from their platforming at Ashford International: trains with platforms 1 or 2 cannot use the Relief line - other trains must.

During the railway's galas, trains (*Brake Van Rides*) use a short (12 chains) section of this line *when so advertised*.

### **Bodiam - Junction Road and Robertsbridge - Robertsbridge Northbridge Street [*Rother Valley Railway*] {new entry}**

These short sections of the original Kent & East Sussex line used on some special occasions *when so advertised* (such as the *Return to Robertsbridge Gala*, 21 and 22 September 2013, and K&ESR's *40th Anniversary Gala*, 24-26 May 2014 - Junction Road section only).

### **Gas Factory Junction - Bow Junction**

On weekends leading up to Christmas 2013, selected c2c services were diverted to call at Stratford instead of West Ham *as advertised*. This routing only applied for specified journeys (usually inbound mornings, outbound afternoons).

Similarly, SSuX evenings, outbound, after 2000 during December 2013. All these trains also used the **Forest Gate Junction - Woodgrange Park Junction** and **Barking Station Junction - Barking platforms 7/8 (via T&H Lines)** sections of line mentioned in the main entry.

2013 dates: Saturdays and Sundays 30 November to 28 December; Mondays to Fridays 2 to 23 December.

For the 2014 pre-Christmas season the weekend trains which ran via Stratford continued to/from **Liverpool Street** instead of Fenchurch Street so this entry **was not applicable for 2014**.

**Downpatrick Loop Platform - King Magnus's Halt ("King's Halt") - present end of line towards Ballydugan (Ringreagh) [*Downpatrick & County Down Railway*]**

For Halloween Weekend, trains used this section (south line) (instead of the Inch Abbey line).

2014 dates: 25, 26, 31 October

Schedule: Saturday and Sunday: trains between 1500 and 1800; weekday: trains between 1800 and 2100.

For Christmas service ("*The Lapland Express*") trains run to Inch Abbey and back, then back to the Loop Platform by a *short section* of the south line. *Not clear whether this arrangement applied in 2014 in view of relaying etc. work on the "back loop"*.

2014 dates: Saturdays and Sundays from 29 November until 21 December

Schedule: 1400 from Downpatrick and about every 45 minutes to 1700
